

Job Vacancy & Work Scope

Science Facilitator

SCIENCE FACILITATOR EXHIBITION & TECHNOLOGY DEPARTMENT

Department: Exhibition & Technology Department

Job Title: Science Facilitator

Number of Position(s) Available: 1 position (Part-Time)

Role Objective

The Science Facilitator is responsible for supporting the daily operations and scheduled activities of the Exhibition & Technology Department. The role primarily focuses on assisting in the Exhibition Hall, including manning exhibits, engaging with visitors, and managing crowd flow during school visits, tourist visits, and general public visits. The Science Facilitator is also required to support Science Communicators in preparing and facilitating activities, as well as assisting with other assigned departmental tasks.

Key Tasks and Responsibilities

- Conduct STEAM activities at SEL and during any outreach engagements
- Assist with manning and facilitation with interactive exhibition
- Assist with research and development of new STEAM activities and projects
- Assist Science Communicators with project management and delivery
- Maintain a safe and healthy working environment by following all HSE guidelines and policies established by SEL

Skills Required or Preferred

- Basic research skills
- Teaching and facilitation skills
- Strong communication and presentation skills
- Able to work effectively in a team
- Good customer service skills
- Creative and innovative thinking
- Flexible, adaptable, and eager to learn new skills and knowledge

Background Requirement

- Cambridge 'O Level' and above
